

YOUR ADVERTISING ON PIZZABOXES

www.MyEasyPack.ch

PLANNING, PRODUCTION, LOGISTICS, OF A CAMPAIGN.

YOUR BUDGET - YUR DISTRIBUTION

How many boxes would you like to distribute? Based on this information, we will plan your campaign with you.

THE NUMBER OF PIECES

Together, we determine the number of pieces each pizzeria should receive (our customers order 1,800 pieces per pizzeria, which are usually sold out within 4 to 8 weeks).

DESIGN OF THE PRINT FILE

You can design your print file using the templates available on our website. We will then use this template to recruit pizzerias.

ACQUISITION OF PIZZERIAS

We acquire restaurants in the desired area in Switzerland (for example, Winterthur plus a 15 km radius). The format is 33 cm x 33 cm x 4.2 cm.

PRODUCTION, SHIPPING, AND DISTRIBUTION

We handle all processes, from production to distribution to each individual pizzeria.
